KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in an investment company with variable capital constituted in Ireland that aims to achieve total return, consisting of both income and capital gains, through investment in a diversified portfolio of fixed income and similar transferable instruments issued primarily by government and corporate entities in Asia.
- If you invest in a distributing share class, you may receive distributions on or around:
 - the end of each month (share class with monthly distribution)*;
 - end August and February (share class with semi-annual distribution); or
 - end February, May, August and November (share class with quarterly distribution).³
- ***In the case of monthly distributing share classes, in maintaining a regular dividend payment, at times dividend may be paid out of capital of the Fund. Payment of dividends out of capital amounts to a return or withdrawal of part of an investor’s original investment and/or from any capital gains attributable to that original investment. Any such distribution may result in an immediate reduction of the net asset value per Share.**

Refer to Appendix 16 of the Singapore Prospectus for further information on features of the product.

Investment Strategy

- The Fund invests primarily (at least 70% of its net asset value) in debt

Refer to Appendix 16 of the Singapore

² If you are submitting your subscription application or redemption request through an approved distributor in Singapore, you may only do so during the opening hours for that approved distributor on a Singapore Business Day.

³ You may wish to check with the approved distributors of the Company on the availability of the distributing share classes of the Fund.

<p>securities of governments or quasi-government organization issuers in Asia and/or issuers organised, headquartered or having their primary business operations in Asia. The Fund may also invest less than 30% of its net asset value in treasury bonds of the United States Government.</p> <ul style="list-style-type: none"> • The Investment Manager will strategically allocate debt securities based on a combination of top-down and bottom-up analysis. Each investment is subject to analysis from the Investment Manager’s credit specialists who assess the creditworthiness of the issuer at the time of investment and monitor it continually for changes. • The Fund will not invest more than 10% of its net asset value in debt securities issued by and/or guaranteed by a single sovereign issuer which is below investment grade. • The debt securities in which the Fund invests are mainly denominated in US dollars or Asian currencies. • The Fund may invest less than 30% of its net asset value in onshore debt securities in the PRC via Bond Connect. • The Fund may only use financial derivative instruments for purposes of hedging and efficient portfolio management. • For defensive purposes during periods of perceived uncertainty and volatility (e.g. market or major crisis), the Fund may also hold all or part of its assets in cash and/or US Treasuries. 	<p>Prospectus for further information on the investment strategy of the product.</p>
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The Fund is a sub-fund of the Irish constituted umbrella First Sentier Investors Global Umbrella Fund plc (the “Company”). • The Company is managed by First Sentier Investors (Ireland) Limited. • The Manager may appoint one or more approved investment managers and sub-investment managers to manage all or a portion of the assets of the Fund. • The Depositary of the Fund is HSBC Continental Europe. 	<p>Refer to the “Management and administration”, “Depositary” and “Other Material Information” sections (Paras 23 and 21) of the Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the Fund and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk:</p>	<p>Refer to the “Risks” section (Para 9) of the Singapore Prospectus for further information on risks of the product.</p>
Market and Credit Risks	
<ul style="list-style-type: none"> • You are exposed to market risk in Asia – The Fund’s investment is subject to general market risks, and their values may fluctuate due to various factors, such as changes in investor sentiment, political and economic conditions and issuer-specific factors. • You are exposed to currency risk – Investments of the Fund may be denominated in various currencies. The net asset value of the Fund may be affected unfavourably by fluctuations in the exchange rates and by changes in exchange rate controls. The Fund is not denominated in Singapore dollars and you may be exposed to an additional exchange rate risk if your reference currency is Singapore dollars. • You are exposed to credit risk – Investment in debt or other fixed income securities may be subject to the credit risk of issuers of those securities. If any issuer defaults or suffers insolvency or other financial difficulties, the value of the Fund will be adversely affected. 	

<ul style="list-style-type: none"> • You are also exposed to emerging market risk and China market risk. 										
Liquidity Risks										
<ul style="list-style-type: none"> • The Fund is not listed in Singapore and you can redeem your shares only on Dealing Days as described in the Singapore Prospectus. • You may not be able to redeem on a Dealing Day if a redemption limit is imposed or if redemption is suspended – There may be a 10 per cent limit on the number of shares that can be redeemed on any Dealing Day and the directors of the Company may temporarily suspend redemption during certain circumstances. • You are exposed to the liquidity risk of the Fund’s investments – The Fund may not be able to sell assets in a timely manner and/or at a reasonable price. If this is the case, you may not be able to get your money back when you want it. 										
Product-Specific Risks										
<ul style="list-style-type: none"> • You are exposed to investment risk – Investment in shares of the Fund involves risk and you may not get back the full amount you invested. Past performance is no guarantee of future performance. • You are exposed to single country / specific region risk – The value of the Fund may be more volatile than a fund having a more diversified portfolio of investments covering multiple countries. • You are exposed to interest rate risk – Investing in fixed income securities will expose the Fund to movements in interest rates. If rates go up, the value of debt securities fall and if rates go down, the value of debt securities rise. • You are exposed to high yield risk – To the extent that the Fund invests in securities that are rated below investment grade or are unrated, these securities, while usually offering higher yields, are generally subject to lower liquidity, higher volatility and greater risk of loss of principal and interest than high-rated debt securities. • You are exposed to sovereign debt risk – Sovereign debt securities may be exposed to political, social and economic risks. If the government debtor defaults, the Fund may have limited legal recourse against the issuer and/or guarantor. • You are also exposed to RMB currency and conversion risk, risks of the reliability of credit rating / downgrading risk, “Dim Sum” bond market risk, risks associated with the Fund’s investment into other collective investment schemes, below investment grade and unrated debt securities risk, convertible bond risk, risk associated with collateralised and/or securitised product risk, risk associated with instruments with loss-absorption features, concentration risk, risks associated with Bond Connect and LIBOR risk.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

The net asset values per share of the share classes of the Fund are normally published 1 Business Day after the relevant Dealing Day on www.firstsentierinvestors.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- The Company does not offer a cancellation period for you to cancel your subscription into the Fund.
- You can exit the Fund at any time by submitting a duly signed written instruction or a completed redemption form to an approved distributor.
- Partial redemptions are subject to minimum holding amounts.
- The Company will normally pay the sale proceeds within 3 Business Days of receipt of your redemption request and other relevant documentation. Please contact your distributor on when you will receive your sale proceeds.
- Your exit price is determined as follows (please note that your distributor may impose a different cut-off time):
 - If your redemption request is received before 5 p.m. (Singapore time) on a Dealing Day, you will be paid a price based on the net asset value for that Dealing Day².
 - If your redemption request is received after 5 p.m. (Singapore time) on a Dealing Day or on a day which is not a Dealing Day, you will be paid a price based on the net asset value for the next Dealing Day².
- Your sale proceeds will be the exit price multiplied by the number of shares sold, less any charges (there is currently no realisation charge imposed and assuming there is no anti-dilution adjustment).

Exit price	X	Number of shares to be redeemed	=	Gross redemption proceeds
\$10.00	X	1,000	=	\$10,000.00
Gross redemption proceeds	-	Redemption charge	=	Net redemption proceeds
\$10,000.00	-	\$0.00	=	\$10,000.00

Refer to the "Redemption of Shares" and "Obtaining Prices of Shares" sections (Paras 12 and 14) of the Singapore Prospectus for further information on valuation and exiting from the product.
